9. Comments on student's notable strengths:

Text Response

Blair sees a need and develops a plan to meet the need. She is reliable, cooperative, seeks feedback and works to adjust to the feedback. She is a delight to have in the office and the students seek her out.

10. Comments on student's areas for needed growth:

Text Response

Blair continues to work on case conceptualization which will come with experience

11. Comments or suggestions for the JMU counseling program related to the internship experience:

Text Response

Blair felt like most of the training she received was with older adolescents and would have liked to have more training on how to work with younger age groups.
